Description

1968 Chevrolet Corvette Convertible

- **Mileage** 19,760, (mileage shown on odometer, unverified)
- **VIN:** 194678S401488
 - 1: Chevrolet
 - 94: Corvette
 - 67: Convertible
 - 8: Model year 1968
 - S: Assembled in St. Louis, MO
 - 401488: Sequential production number.
- **Production Date:** C06 - October 6, 1967, Early production model for the 1968 lineup
- **Engine:**
 - Model: 327 cubic-inch V8
 - Block Code: 3914678 (*confirms compatibility with 1968 Corvette small-block engines*).

- *Potential Output:* 300 or 350 horsepower depending on configuration.
- **Transmission:** 4-speed manual, enhancing its sporty character.
- **Interior Trim:**
 - *Code 407:* Red vinyl seats, a striking contrast to the white exterior.
 - *Paint Code 972:* Polar White exterior.
- **Convertible Top:** Black, likely original or period-correct replacement. (top not tested due to cold weather)
- **Tires & Wheels:**
 - BF Goodrich Radial T/A 225/70R15 tires.
 - Steel wheels with rally hubcaps and trim rings—classic styling.

Notable Additions

- **Side Pipes:**
 - Not factory-correct for this model but are a sought-after performance and aesthetic enhancement from later years. They add character but may affect originality.
- **Operational Status:**
 - **Mechanical:** Runs and drives, Odometer reading has not been verified.
 - **History:** This vehicle was owned by an enthusiast who showcased it at car shows. It remains in the condition acquired by the previous owner.

Ownership

- The car is being sold by the spouse of the previous owner, who has passed away.
- **Title:** Present and clear.
-

The 1968 Chevrolet Corvette Convertible is an iconic American sports car, part of the third-generation Corvette (C3) lineup, often referred to as the "Shark" generation due to its aggressive, streamlined styling.
