

**Sale Name:** Caywood Auction #1 Catalog

**LOT 74 - 54-55 Chevrolet 6400 Series Truck with Red Bed, NO TITLE**

### Description

Non running condition. Chevrolet 6400 Series Truck. The truck features a red bed and a blue cab. Windshield has a crack. Please review the photos carefully for more details. Bed is Approx 162" x 8' Chevrolet from the 1954 or 1955 (First Series) model year. Key identifying features: The grille design (horizontal bar with vertical center section), The single-piece curved windshield (introduced in 1954), The parking lights beneath the headlights, And the badging style on the hood and front. Chevrolet updated the Advance Design trucks in 1954 with these features, and the style carried into early 1955 models (called the "First Series") before the all-new Task Force body style debuted mid-year.

Paper work for title has been sent off.
