LOT 10 - Ford 4610 Tractor with Westendorf Loader, 1982

Lot Location Outside

Description

Ford 4610 Tractor with Westendorf Loader Solid Utility Tractor – Ready to Work or Restore This Ford 4610 is a reliable, time-tested diesel tractor equipped with a Westendorf front loader and bucket—ready to tackle chores around the farm or acreage. Key Specs: Engine: 3.3L Diesel Transmission: 8-Speed Hours Showing: 3,796 Loader: Westendorf with bucket Power Steering: Turns hard (may need attention) Tires: Good condition This unit has been used recently to move and set up equipment, demonstrating its ongoing utility. While the power steering could use some TLC, it's a great option for a small hobby farm, equipment yard, or as a restoration candidate for Ford tractor enthusiasts. With its rugged build and well-regarded reputation, the Ford 4610 remains a favorite in its class.
